<b><sup>32</sup>P Radionucleotides</b>																																																																						
<i>Every Thursday</i> (all part numbers with exceptions below)					5							2							2							6							4							1							8							15							22							29		
<b><sup>32</sup>P Radionucleotides</b>																																																																						
<i>Every First Thursday</i> BLU023X, NEG023x					5							2							2							6							4							1																														
<b><sup>32</sup>P Radionucleotides</b>																																																																						
<i>Second Thursday of Every Month</i> BLU004Z, NEG004Z, BLU504Z, BLU019A, NEG019A					12							9							9							13							11							8																														
<b><sup>33</sup>P Radionucleotides</b>																																																																						
<i>Every Friday</i> NEG602K					6							3							3							7							5							2							9							23							30									
<b><sup>33</sup>P Radionucleotides</b>																																																																						
<i>Every Other Friday</i> NEG302H, NEG307H, NEG312H, NEG605H, NEG606H, NEG608H, NEG313H, NEG602H, NEG607H, NEG612H, NEG613H					6							3							3							14							12							9							23																							
<b><sup>35</sup>S Radionucleotides</b>																																																																						
<i>Every First Tuesday</i>					3							7							7							4							2							6																														
<b><sup>35</sup>S Amino Acids</b>																																																																						
<i>Every Third Monday</i>					16							6							20							10							1							12																														
<b><sup>32</sup>P Radionuclides</b>																																																																						
<i>Every Wednesday</i> NEX053, NEX054, NEX011, NEX053H, NEX053S, NEX055, NEX060, NEX063					4							1							1							5							3							7							14							21							28									
<b><sup>125</sup>I Radionuclides</b>																																																																						
<i>Every Other Wednesday</i> NEZ033, NEZ033A, NEZ033H, NEZ033L					11							8							8							5							3							14							28																							
<b><sup>51</sup>Cr Radionuclides</b>																																																																						
<i>Every Other Friday</i> NEZ030, NEZ030S					6							3							3							14							12							9							23																							
<b><sup>51</sup>Cr Radionuclides</b>																																																																						
<i>Every Fourth Friday</i> NEZ147					20							17							17							14							12							9																														
<b><sup>45</sup>Ca Radionuclides</b>																																																																						
<i>Every Fourth Monday</i> NEZ013					2							27							27							24							22							19																														
<b><sup>35</sup>S Radionuclides</b>																																																																						
<i>Every Fourth Monday</i> NEX041, NEX041H, NEX042					2							27							27							24							22							19
